Hi and welcome to Clan Hunter!

Now that you are a subscriber, you will be regularly updated with our news and events. These include links to our 4-yearly Zoom meet-ups where you can meet your other Hunter 'cousins' from around the globe and speak with our Clan Chief, Madam Pauline.

Check out our [website](#) which is full of Clan Hunter information as well as [blog posts](#) on a variety of subjects. If you have a particularly interesting Hunter story which you would like to share, then please get in touch with our blogger, Lucy, [ljhunterweston@gmail.com](mailto:ljhunterweston@gmail.com).

The seat of your ancestry has been at Hunterston Castle for over 900 years and you can be sure of a warm welcome there. We have 4 knowledgeable tour guides who are keen historians and who will tell you all about the Hunter lairds and their families who lived there. As well as dressing the part, Janet, Joanna, Robin and Siobhan will take you back in time to the mediaeval days when the castle was first built in the early 1300s.

Our Clan Hunter International Gatherings are held once every 3 years; if you missed out, then there is always the chance to come to a smaller event. Each year an Open Day is held at Hunterston Castle where you can experience a tour of the castle, chat to Madam Pauline and join her for dinner in the evening and taste great Scottish food accompanied by live piped music. We'll be getting in touch with the date of this mini-gathering later on in the year.

Have you checked out our [Genealogy FB group](#)? You'll find useful information here on how to go about researching your genealogy. Ask questions and get help from our team of experts and other Hunters online.

Last but not least, Madam Pauline has personally chosen some Clan Hunter items for you which she thought you might enjoy. You can download them together with this letter.
